STEPUP SERVICES AND SOLUTIONS

Company Introduction

StepUp Services and Solutions is an independent, forward-thinking company offering a comprehensive suite of industrial project execution, electrical services, and material supply solutions.

Driven by innovation and backed by a team of skilled engineers, experienced designers, and technical consultants, we ensure every project is executed with precision, reliability, and efficiency.

We proudly support industries with:

- Tailored electrical project execution
- Preventive and breakdown maintenance services
- Supply of trusted electrical and mechanical components

Our strong commitment to quality, customer satisfaction, and on-time delivery has made us a trusted partner across multiple sectors, including Plastics, Food Processing, Packaging, and General Manufacturing.

OUR SERVICES

Industrial Electrical Project Execution

1. Cable Laying and Termination.
2. Cable Trench Design and Execution.
3. Electrical Panel Design, Fabrication & Erection
4. Turnkey Electrical Projects
5. Electrical & Instrumentation Integration

Industrial Electrical Maintenance Services

1. On-Site Troubleshooting & Breakdown Support
2. Extruder & Machinery Electrical Support
3. Preventive & Predictive Maintenance.
4. Panel Refurbishment & Upgrades.
5. APFC Panel Modifications

Industrial Products

1. Proximity Sensors
2. Switches & Controls
3. Automation & Control Devices
4. Indicators & Measurement Instruments
5. Safety & Protection Devices
6. Wiring & Installation Accessories
7. Panel Components & Accessories
8. Mechanical Hardware and Control Components

Why Choose StepUp Services & Solutions?

- 11+ Years of Industrial Experience
- In-House Technical Expertise
- Multi-Industry Application Knowledge
- Focus on Timely Execution
- Commitment to Quality & Safety
- Fast Procurement & Stock Availability
- Project-to-Maintenance Continuity Suppo rt

INDUSTRIES WE SERVE

PLASTIC PROCESSING & EXTRUSION

FOOD & BEVERAGES

PACKAGING & AUTOMATION

CHEMICAL & UTILITY PLANTS

SERVING PAN INDIA

Our Core Competencies

Industrial Electrical Projects

- **HT & LT Cable Laying and Termination**

  End-to-end cable installation for reliable power distribution using best-in-class techniques and safety standards.

- **Cable Trench Design and Execution**

  Tailored trench solutions for safe cable routing, thermal dissipation, and long-term durability.

- **Electrical Panel Design, Fabrication & Erection**

  Custom-built MCCs, DBs, and automation panels using premium-grade components with future-ready designs.

  Turnkey Electrical Projects From concept to commissioning—complete lifecycle management for electrical installations.

- **Electrical & Instrumentation Integration**

  Seamless integration of electrical and automation systems, PLC, SCADA, and sensor interlocks

Industrial Electrical Maintenance &Services

- **Preventive & Predictive Maintenance**

  Scheduled maintenance with IR testing, load analysis, and thermal imaging to reduce downtime.

- **Extruder & Machinery Electrical Support**

  Specialized services for plastic processing machines—heater control, sensor tuning, and PLC diagnostics.

- **Panel Refurbishment & Upgrades**

  Cost-effective improvements of old panels with safety and performance enhancements.

- **APFC Panel Modifications**

  Correction of power factor with tuning of capacitors, relays, and protection systems for energy savings.

- **On-Site Troubleshooting & Breakdown Support**

  Fast fault isolation and correction with multi-brand support tools and emergency assistance

Industrial Electrical & Instrumentation Products

SENSORS

- Proximity Sensors (Inducti ve/Capacitive)
- Photoelectric Sensors
- Ultrasonic Sensors
- Temperature Sensors
- Pressure Sensors
- Flow Sensors
- Level Sensors
- Load Cells
- Humidity Sensors
- Vibration Sensors
- Magnetic Sensors
- Encoders (Incremental/Absolute)

OMRON Autonics PEPPERL+FUCHS SICK Sensor Intelligence.

Baumer WIKA KEYENCE ifm

Switches & Controls

- Limit Switches
- Safety Switches
- Foot Switches
- Selector Switches
- Push Button Stations
- Emergency Stop Switches
- Rope Pull Switches
- Toggle & Rocker Switches
- Float Switches

Schneider Electric SIEMENS OMRON EUCHNER More than safety.

pizzato TEKNIC ELECTRIC BHARTIA BCH Honeywell

Automation & Control Devices

- PLCs (Programmable Logic Controllers)
- HMIs (Human Machine Inte rfaces)
- SCADA Systems
- Signal Isolators
- Signal Conv erters
- Relays (Electromechanical / Solid-State)
- Contactors & Overload Rel ays
- SMPS (Switched Mode Power Supplies)
- Control Transformers
- Starters (DOL/Star Delta)
- Timers (Analog/Digital/Multifunction)
  Counters
- Temperature Controllers (ON/OFF, PID)
  SSR (Solid State Rel ays)
- Thermostats

Indicators & Measurement Instruments

- Digital Voltmeters & Ammeters
- Energy Meters
- Frequency Meters
- Power Analyzers
- Multifunction Meters
- Panel Indicators
- Data Loggers
- Transducers (Current, Voltage, Power)

SIEMENS

MULTISPAN

Honeywell

L&T

Safety & Protection Devices

- Safety Relays
- Safety PLCs
- Light Curtains
- Safety Mats
- Safety Edges
- Door Interlock Switches
- Isolation Transformers
- Surge Protection Devices (SPD)
- Fuses & Fuse Holders
- MCB, MCCB, ELCB, RCCB
- Earth Leakage Relays

Wiring & Installation Accessories

- Terminal Blocks
- Cable Lugs & Glands
- Ferrules & Markers
- Cable Ties & Clips
- Heat Shrink Tubes
- DIN Rails & Channels
- Control Wiring Cables
- Junction Boxes
- Panel Locks & Hinges
  Connectors (M8, M12)

- Sirmens
- Schneider
- Abb
- L&T
- Secure
- Hpl
- selec
- Multispan

StepUp
Services And Solutions

Panel Components & Accessories

- Control Panels (Custom Built)
- Panel Cooling Fans
- Panel Heaters
- Cable Ducts & Trays
- Busbars & Busbar Suppo rts
- Relay Sockets & Base
- Interface Relays
- Interposing Rel ays

Valves & Pneumatics Solutions

"Relible pneumatic control for smooth,efficient and trouble-free machine operation"

- Solenoid Valves
- Direction Control Valves (DCV)
- Pneumatic Cylinders (Single/Double Acting)
- Air Preparation Units (FRL: Filter-Regulator-Lubricator)
- Pneumatic Fittings & Connectors
- Flow Control Valves
- Silencers & Mufflers
